

LegalLense

The wireframe designs for the LegalLense application! Here is what I have created (can be modified as we discuss further.)

- Landing Page - Featuring the LegalLense logo, tagline, and a prominent upload area for legal documents
- Processing Screen - With progress bar and loading animation to show document analysis in progress
- Results Dashboard - Including TL;DR summary box, document health score, clause-by-clause view with risk indicators, and sidebar with negotiation suggestions
- Interactive Features - With tabs for Scenario Simulator, Comparison Mode, and Q&A Chat Interface
- Footer - Containing legal disclaimer and download/sharing buttons
